GLOSSARY

ADJUSTED APPROPRIATION—The total of an original appropriation, all supplemental appropriations and certain allotments from inter-departmental appropriations.

ALL OTHER FUNDS—Revenues, other than Federal, which are not anticipated as resources to support the annual State budget. Upon receipt, these funds become appropriated, as provided by the language of the Appropriations Act.

ALLOTMENT—An allocation of a portion of an appropriation to make it available for encumbrance or disbursement by the agency to which it was appropriated, and usually applying to a period of time; e.g., a calendar quarter. In the instance of inter-departmental appropriations, allotments made to the various agencies simultaneously transfer appropriations and make them available for encumbrance or disbursement by the agency.

ANTICIPATED RESOURCES—For each fiscal year, is the sum of the estimated surplus at the end of the prior fiscal year, together with all estimated revenues for the General Fund from all sources, including taxes and license fees, other miscellaneous departmental Federal aid and revenues of trust funds which are not within the General Treasury.

ANTICIPATED REVENUE—That portion of estimated revenues to be realized in any fiscal year which have been anticipated as General Fund resources to support the appropriations made, or undesignated fund balance projected, in the annual Appropriations Act. Such revenues are not available for expenditure unless appropriated by the Legislature.

APPROPRIATED REVENUE—Those revenues not previously anticipated or budgeted, which upon receipt increase appropriation balances as authorized in the Appropriations Act, and from which agencies may incur obligations or make expenditures for specific purposes.

APPROPRIATION—The sum of money authorized by an act of the Legislature for expenditure during a particular fiscal year.

Gross revenue refers to the total of all sums actually received by a licensee from gaming operations, less the total sums paid out as winnings to patrons. REQUEST YEAR— The fiscal year for which a budget request is made.

REVENUE ACCOUNT— An account established for the purpose of recording the receipt of revenues from a specific source.
