| 15. | Brief Description to confirm appropriate data/information has been provided by recipient and what activities have been taken to review in relation to the project/contract/program. | RSM requested an initial round of documents to facilitate our fraud risk assessment, as well as for the purposes of developing an understanding of the project. This information included but was not limited to:  
- Grant agreement  
- Contracts  
- Procurement / bidding documentation  
- Invoices / pay applications  
- Change orders / Proposed changes  
- Vendor contact information  
- Weekly project meeting minutes  
  During the quarter, RSM reviewed this information to aid in the development of our testing plan, to be executed upon approval by NJT. |----------|
| 16. | Description of quarterly auditing activities that have been conducted to ensure procurement compliance with terms and conditions of the contracts and agreements. | None. We have performed preliminary review of tabulations of construction (18-035X), design (13-001C, and 16-006), and project management (18-003) and will conduct detailed inspections after approval of our fraud risk assessment. |----------|
| 17. | Have payment requisitions in connection with the contract/program been reviewed? Please describe | None. We have performed preliminary review of project invoices and pay applications, and will conduct detailed inspections after approval of our fraud risk assessment. |----------|
| 18. | Description of quarterly activity to prevent and detect waste, fraud and abuse.         | Our meetings with key stakeholders, attendance at bi-weekly project status meetings, and requests and review of source documents all contribute to preventing and detecting waste, fraud and abuse. |----------|
| 19. | Provide details of any integrity issues/findings                                        | None.                                                                                                                                                                                                    |----------|
| 20. | Provide details of any work quality or safety/environmental/historical preservation issue(s). | During this period, the State of New Jersey was under a State of Emergency related to the spread of COVID-19. Our communications and attendance at meetings was conducted virtually. Through our monitoring procedures, the project does not appear to have been affected. |----------|
| 21. | Provide details on any other items of note that have occurred in the past quarter       | None.                                                                                                                                                                                                    |----------|
| 22. | Provide details of any actions taken to remediate waste, fraud and abuse noted in past quarters | None.                                                                                                                                                                                                    |----------|
