BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.2020, c.44 (C.52:14-17.46.14) is amended to read as follows:

EXPLANATION – Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted in the law.

Matter underlined thus is new matter.
When the base salary or retirement allowance is more than $125,000, the amount to be contributed shall be the same as for a base salary or retirement allowance of $125,000.

b. Each employee, and retiree who is not Medicare-eligible and who is required by another provision of law to contribute in retirement toward the cost of health care benefits coverage under the program, shall contribute annually toward the cost of health care benefits coverage for the employee and retiree, and dependents if any, under the Garden State Health Plan offered by the School Employees’ Health Benefits Program an amount equal to a percentage of the employee’s annual salary or retiree’s annual retirement allowance, including any cost of living adjustments to that allowance. The contribution shall be withheld by the employer from the salary of the employee or by the retirement system from the retirement allowance, including any cost of living adjustments to that allowance, of the retiree who is not Medicare-eligible. The percent to be contributed shall be one-half of the percentage set forth in subsection a. of this section for the salary or retirement allowance range and type of coverage, except that the contribution specified in this subsection shall not be less than the minimum annual contribution for health care benefits coverage of 1.5% of salary or retirement allowance, including any cost of living adjustments to that allowance, as required by law.

c. (1) An employee enrolled in the New Jersey Educators Health Plan or the Garden State Health Plan shall be required to pay only the contribution specified in subsection a. or b. of this section, notwithstanding any other provision of law, rule, or regulation to the contrary requiring contributions by employees toward the cost of health care benefits coverage under the program, except as provided in subsection b. of this section. No other contribution may be required by collective negotiations agreement, except as set forth in subsection h. of this section.
(2) Only those retirees who are not Medicare-eligible and who are
required by another provision of law to contribute in retirement
toward the cost of health care coverage under the program shall be
required to pay the contribution specified in subsection a. or b. of this
section for coverage under the New Jersey Educators Health Plan or
the Garden State Health Plan.

A retiree who is not Medicare-eligible, who is enrolled in the New
Jersey Educators Health Plan or the Garden State Health Plan, and
who is required by another provision of law to contribute in
retirement toward the cost of health care coverage under the program
shall be required to pay only the contribution specified in subsection
a. or b. of this section, notwithstanding the provisions of section 77
of P.L.2011, c.78 (C.52:14-17.28e), section 3 of P.L.1987, c.384
(C.52:14-17.32f), section 2 of P.L.1992, c.126 (C.52:14-17.32f1), or
section 1 of P.L.1995, c.357 (C.52:14-17.32f2) to the contrary
requiring contributions by retirees toward the cost of health care
benefits coverage under the program, except as provided in
subsection b. of this section.

d. Employees who are not enrolled in the New Jersey Educators
Health Plan or the Garden State Health Plan shall continue, after the
effective date of this act, P.L.2020, c.44, to contribute to health care
benefits coverage and those contributions shall be determined in
accordance with what is permitted or required by provisions of law.

An employee who is enrolled in a plan other than the New Jersey
Educators Health Plan or the Garden State Health Plan shall be
required to contribute toward the cost of health care benefits
coverage under the program (a) in accordance with a collective
negotiations agreement applicable to that employee as negotiated
prior to or after the effective date of this act, P.L.2020, c.44, pursuant
to the requirements that were set forth in law on the day next
preceding that effective date; (b) as may be required at the discretion
of the employer; or (c) as required by a provision of law, whichever
is applicable to that employee.

With regard to contributions by an employee who is enrolled in a
plan other than the New Jersey Educators Health Plan or the Garden
State Health Plan, no provision in this section shall be deemed to
modify, alter, impair, or terminate the requirement in sections 77 and
78 of P.L.2011, c.78 (C.18A:16-17.2 and C.52:14-17.28e), as
applicable, that a public employer and employees who were in
negotiations for the collective negotiations agreement to be executed
after the employees in that unit had reached full implementation of
the premium share set forth in section 39 of P.L.2011, c.78 (C.52:14-
17.28c) shall conduct negotiations concerning contributions for
health care benefits as if the full premium share was included in the
prior contract. Nothing in this act shall be deemed to modify, alter,
impair, or terminate the continued compliance after the effective date
of this act with that requirement for negotiations for any collective
negotiations agreement for employee contributions for plans other
than the New Jersey Educators Health Plan or the Garden State Health Plan.

e. For an employee, the annual base salary paid by the employer for the position held by the employee shall be used to identify the percentage to be used to calculate the annual contribution required under subsections a. and b. of section 2 of this act. For a retiree who is not Medicare-eligible, the annual retirement allowance, including any cost of living adjustments to that allowance, received by the retiree shall be used to identify the percentage to be used to calculate the annual contribution required under subsections a. and b. of section 2 of this act.

f. The annual contribution by an employee or a retiree who is not Medicare-eligible as calculated in accordance with subsection a. or b. of this section shall not exceed the amount as calculated in accordance with section 4 of this act, P.L.2020, c.44 (C.52:14-17.46.16).

g. The contributions required by this section shall apply to employees for whom the employer has assumed a health care benefits payment obligation, to require that such employees pay the amount of contribution specified in this section for health care benefits coverage. The contributions required by this section shall apply to retirees for whom the State has assumed a health care benefits payment obligation but who are required by law to contribute toward the cost of health care benefits coverage under the program, to require that such retirees pay the amount of contribution specified in this section for health care benefits coverage.

h. For the plan year that commences on January 1, 2028 and for each plan year thereafter, the contributions required pursuant to subsections a. and b. of this section for employees enrolled in the New Jersey Educators Health Plan or the Garden State Health Plan may be modified through collective negotiations agreements entered into between the employers who participate in the School Employees’ Health Benefits Program and their employees. The contributions required pursuant to subsections a. and b. of this section shall become part of the parties' collective negotiations and shall then be subject to collective negotiations in a manner similar to other negotiable items between the parties. Negotiations concerning contributions for health care benefits shall be conducted as if the contributions required pursuant to subsections a. and b. of this section were included in the prior contract. The contribution scheme of percentage of base salary set forth in those subsections may be modified or a new contribution scheme or method other than a percentage of salary may be provided for in accordance with a collective negotiations agreement.

i. Modifications to the contribution rates set forth in this section made by the School Employees’ Health Benefits Plan Design Committee or the State Treasurer pursuant to section 7 of this act shall be implemented by the program for the purposes of this section commencing January 1, 2024.
Section 5 of P.L.2020, c.44 (C.18A:16-13.2) is amended to read as follows:

This section shall apply to local boards of education and employers, as specified in subsection j. of this section, who do not participate in the School Employees' Health Benefits Program. Any health insurance company may provide to local boards of education and to those employers defined pursuant to section 32 of P.L.2007, c.103 (C.52:14-17.46.2) who do not participate in the School Employees’ Health Benefits Program the equivalent of the New Jersey Educators Health Plan in the School Employees’ Health Benefits Program as that plan design is described in subsection f. of section 1 of P.L.2020, c.44 (C.52:14-17.46.13) and the Garden State Health Plan as that plan design is described in subsection d. of section 1 of P.L.2020, c.44 (C.52:14-17.46.13), notwithstanding the provisions of any other law, rule, or regulation, including any regulation of the New Jersey Department of Banking and Insurance, to the contrary. As used in this subsection, “health insurance company” means and includes a health, hospital, and medical service corporation; commercial individual, small employer, and larger group health insurer; and a health maintenance organization.

a. (1) Notwithstanding the provisions of any other law, rule, or regulation to the contrary, beginning January 1, 2021 and for each plan year thereafter, a board of education as an employer providing health care benefits coverage for its employees, and their dependents if any, in accordance with P.L.1979, c.391 (C.18A:16-12 et seq.) shall offer to its employees, and their dependents if any, the equivalent of the New Jersey Educators Health Plan in the School Employees' Health Benefits Program as that plan design is described in subsection f. of section 1 of P.L.2020, c.44 (C.52:14-17.46.13).

Beginning July 1, 2021 and for each plan year thereafter, a board of education as an employer providing health care benefits coverage for its employees, and their dependents if any, in accordance with P.L.1979, c.391 (C.18A:16-12 et seq.) shall also offer a plan for its employees, and their dependents if any, that is the equivalent of the Garden State Health Plan in the School Employees' Health Benefits Program.

(2) The plans under this section shall be offered by the employer regardless of any collective negotiations agreement between the employer and its employees in effect on the effective date of this act, P.L.2020, c.44, that provides for enrollment in other plans offered by the employer.

No new health care benefits plans, other than those specified in paragraph (1) of this subsection, shall be added by the employer from January 1, 2021 through December 31, 2027 unless the provisions of any collective negotiations agreement entered into before or after the effective date of this act, P.L.2020, c.44, result in additional premium
cost reductions. Nothing in this section shall prohibit an employer
from offering health care benefits plans that existed prior to the
effective date of this act.

(3) Commencing January 1, 2028, the employer may offer such
other plans as may be required in accordance with any collective
negotiations agreement between the employer and its employees.

b. Prior to January 1, 2021, each employer shall provide an
enrollment period during which all employees who commenced
employment prior to the effective date of this act shall be required to
select affirmatively a plan provided by the employer. If an employee
fails to select affirmatively a plan during this enrollment period, the
employer shall enroll the employee, and the employee's dependents
if any, in the equivalent New Jersey Educators Health Plan offered
pursuant to subsection a. of this section for the year January 1, 2021
until December 31, 2021.

During the enrollment period, each person who is enrolled in a
plan offered by the employer and who is paying the full cost of
coverage shall also be required to select affirmatively a plan provided
by the employer. If a person fails to select affirmatively a plan during
this enrollment period, the employer shall enroll the person, and the
person's dependents if any, in the equivalent New Jersey Educators
Health Plan offered pursuant to subsection a. of this section for the
year January 1, 2021 until December 31, 2021. Any such person shall
continue to pay the full cost of coverage and shall not be subject to
the contribution schedule or any mandatory enrollment period as set
forth in this section.

c. (1) Beginning on January 1, 2021, an employee commencing
employment on or after the effective date of this act but before
January 1, 2028 who does not waive coverage, shall be enrolled by
the employer in the equivalent New Jersey Educators Health Plan, or
the equivalent Garden State Health Plan if selected by the employee,
as those plans are offered pursuant to subsection a. of this section.
The employee shall remain enrolled in either the equivalent New
Jersey Educators Health Plan or the equivalent Garden State Health
Plan selected by the employee at the annual open enrollment for each
plan year until December 31, 2027, provided that the employee
during this period may waive coverage as an employee and select and
change the type of coverage received under the plan following a
qualifying life event, in accordance with the plan regulations.
Beginning January 1, 2028, the employee may select, during any
open enrollment period or at such other times or under such
conditions as the employer may provide, any plan offered by the
employer.

(2) Except as otherwise provided in this subsection or subsection
b. of this section, selection of a plan shall be at the sole discretion of
the employee.

d. An employee shall contribute annually toward the cost of
health care benefits coverage for the employee, and employee's
dependents if any, the amount specified, in the manner specified, in subsection a. or b. of section 2 of this act, P.L.2020, c.44 (C.52:14-17.46.14) if the employee, and the employee's dependents if any, are enrolled in the equivalent New Jersey Educators Health Plan or the equivalent Garden State Health Plan offered pursuant to subsection a. of this section. An employee's contribution toward the cost of coverage under the equivalent Garden State Health Plan offered pursuant to subsection a. of this section shall be the amount required in subsection b. of section 2 of this act, except that the contribution specified in that subsection shall not be less than the minimum annual contribution for health care benefits coverage of 1.5% of salary as required by law.

e. (1) An employee enrolled in the equivalent New Jersey Educators Health Plan or the equivalent Garden State Health Plan offered pursuant to subsection a. of this section shall be required to pay only the contribution specified in subsections a. and b. of section 2 of this act, notwithstanding any other provision of law, rule, or regulation to the contrary requiring contributions by employees toward the cost of health care benefits coverage provided by an employer, except as provided in subsection d. of this section. No other contribution may be required by collective negotiations agreement, except as set forth in subsection i. of this section.

(2) Employees who are not enrolled in the equivalent New Jersey Educators Health Plan or the equivalent Garden State Health Plan offered pursuant to subsection a. of this section shall continue, after the effective date of this act, P.L.2020, c.44, to contribute to health care benefits coverage and those contributions shall be determined in accordance with what is permitted or required by provisions of law.

An employee who is enrolled in a plan other than the equivalent New Jersey Educators Health Plan or the equivalent Garden State Health Plan offered pursuant to subsection a. of this section shall be required to contribute toward the cost of health care benefits coverage offered by the employer (a) in accordance with a collective negotiations agreement applicable to that employee as negotiated prior to or after the effective date of this act pursuant to the requirements that were set forth in law on the day next preceding that effective date; (b) as may be required at the discretion of the employer; or (c) as required by a provision of law, whichever is applicable to that employee.

With regard to contributions by an employee who is enrolled in a plan other than the equivalent New Jersey Educators Health Plan or the equivalent Garden State Health Plan offered pursuant to subsection a. of this section, no provision in this section shall be deemed to modify, alter, impair, or terminate the requirement in sections 77 and 78 of P.L.2011, c.78 (C.18A:16-17.2 and C.52:14-17.28e), as applicable, that a public employer and employees who are in negotiations for the collective negotiations agreement to be executed after the employees in that unit had reached full
implementation of the premium share set forth in section 39 of
P.L.2011, c.78 (C.52:14-17.28c) shall conduct negotiations
concerning contributions for health care benefits as if the full
premium share was included in the prior contract. Nothing in this act
shall be deemed to modify, alter, impair, or terminate the continued
compliance after the effective date of this act with that requirement
for negotiations for any collective negotiations agreement for
employee contributions for plans other than the equivalent New
Jersey Educators Health Plan or the equivalent Garden State Health
Plan offered pursuant to subsection a. of this section.

(3) For an employee, the annual base salary paid by the employer
for the position held by the employee shall be used to identify the
percentage to be used to calculate the annual contribution required
under subsections a. and b. of section 2 of this act.

f. The annual contribution by an employee as calculated in
accordance with subsection a. or b. of section 2 of this act shall not
exceed the amount as calculated in accordance with section 4 of this
act.

g. The contributions required by this section shall apply to
employees for whom the employer has assumed a health care benefits
payment obligation, to require that such employees pay the amount
of contribution specified in this section for health care benefits
coverage.

h. The level of benefits in the equivalent New Jersey Educators
Health Plan and the equivalent Garden State Health Plan offered by
the employer shall remain unchanged until December 31, 2027. No
change in the level of benefits in those plans shall be made before
that date unless such a change is required by federal or State law to
governmental health care benefits plans or to both governmental and
non-governmental health care benefits plans.

Commencing January 1, 2028 and for each plan year thereafter,
the level of benefits in the equivalent New Jersey Educators Health
Plan and the equivalent Garden State Health Plan offered by the
employer may be modified by the employer in accordance with
collective negotiations agreements entered into between the
employers who do not participate in the School Employees' Health
Benefits Program and their employees, or as otherwise permitted by
law.

i. Commencing January 1, 2028 and for each plan year
thereafter, the contributions required pursuant to subsections a. and
b. of section 2 of this act for employees enrolled in the equivalent
New Jersey Educators Health Plan or the equivalent Garden State
Health Plan offered pursuant to subsection a. of this section may be
modified in accordance with collective negotiations agreements
entered into between the employers who do not participate in the
School Employees' Health Benefits Program and their employees.
The contributions required pursuant to subsections a. and b. of
section 2 of this act shall become part of the parties' collective
negotiations and shall then be subject to collective negotiations in a manner similar to other negotiable items between the parties. Negotiations concerning contributions for health care benefits shall be conducted as if the contributions required pursuant to subsections a. and b. of section 2 of this act were included in the prior contract. The contribution scheme of the percentage of base salary set forth in those subsections may be modified or a new contribution scheme or method other than a percentage of salary may be provided for in accordance with a collective negotiations agreement.

j. Modifications to plan design of the plans set forth in section 1 of this act, P.L.2020, c.44 (C.52:14-17.46.13), or adjustments to the employee contribution rates set forth in subsections a. and b. of section 2 of this act, made by the School Employees’ Health Benefits Plan Design Committee or the State Treasurer pursuant to section 7 of this act shall be implemented for the purposes of this section by the employer commencing January 1, 2024.
