1.0 INFORMATION FOR BIDDERS

1.1 PURPOSE AND INTENT

This Request for Quotation (RFQ) is issued by the Procurement Bureau, Division of Purchase and Property (Division), Department of the Treasury on behalf of the New Jersey Department of Health (DOH). The purpose of this RFQ is to solicit Quotes to create, design, write, produce, budget, and administer results of an advertising initiative. The campaigns within the initiative shall promote public awareness utilizing print, radio, television, Internet, and other forms of media as agreed upon at the time of project assignment.

The intent of this RFQ is to award a Contract to that responsible Bidder whose Quote, conforming to this RFQ is most advantageous to the State, price and other factors considered. The State may award any and all price lines. The State, however, reserves the right to separately procure individual requirements that are the subject of the Contract during the Contract term, when deemed by the Director of the Division of Purchase and Property (Director) to be in the State’s best interest.

The State of NJ Standard Terms and Conditions (SSTC) accompanying this RFQ will apply to all Contracts made with the State of New Jersey. These terms are in addition to the terms and conditions set forth in this RFQ and should be read in conjunction with them unless the RFQ specifically indicates otherwise.

1.2 BACKGROUND

The DOH is seeking Quotes for Creative Services: Television/Radio Commercials production, media placement, and supporting collateral that will enhance and promote awareness to support the following statistics:

A. A 2015 national survey conducted at the University of Michigan found that among 8th grade students, 20% believed that prescription narcotics (the survey question noted Vicodin, OxyContin, and Percocet as examples) were “fairly easy or very easy” to obtain;¹

B. The National Institute on Drug Abuse says one in 12 high school seniors reported having tried Vicodin for recreational use. One in 20 reported abusing OxyContin. And for college aged students, one in 10 reported having a prescription for OxyContin or Vicodin, but 20.2% said they took more than they were supposed to;

C. A 2013 survey from the U.S. Department of Health and Human Services found that while young people perceive heroin to be the most dangerous drug, the number of 12-17 year olds who see the drug as “very risky” is on the decline;

D. In 2014, 467,000 teens aged 12-17 reported using prescription pain meds, with 168,000 being addicted;

E. In 2014, an estimated 28,000 12-17 year olds had used heroin in the past year, and an estimated 16,000 were current heroin users. An estimated additional 18,000 had a heroin use disorder;

F. People often share their unused pain relievers, unaware of the dangers of nonmedical opioid use. Most adolescents who misuse prescription pain relievers are given them for free by a friend or relative;

¹ http://www.monitoringthefuture.org/
G. The prescribing rates for prescription painkillers to patients in this age group nearly doubled from 1994 to 2007; and
H. National data from the 2012 Partnership Attitudes Tracking Study found: “More than a quarter of teens (27%) mistakenly believe that “misusing and abusing prescription drugs to get high is safer than using street drugs.”

Bidders may refer to Executive Order 219 declaring the abuse of and addiction to opioid drugs a public health crisis in New Jersey. http://www.nj.gov/infobank/circular/eocc219.pdf

The goal of this initiative is to create awareness and provide education throughout the State about the dangers of addiction, particularly opioid addiction, and recovery services for New Jersey residents. All Bidders must be prepared to commence work in the second half of February, 2017. These services require a quick turnaround and production must begin on Day 1 of the Contract.

The Contractor shall, without additional compensation, correct or revise any errors, omissions, or other deficiencies in its deliverables and other services. The approval of deliverables furnished under this Contract shall not in any way relieve the Contractor of responsibility for the technical adequacy of its work. The review, approval, acceptance or payment for any of the services shall not be construed as a waiver of any rights that the State may have arising out of the Contractor’s performance of this Contract.

5.6 **SUBSTITUTION OF STAFF**

In the event that the Contractor fails to comply with any material Contract requirements, the Director may take steps to terminate this Contract in accordance with the SSTC, authorize the delivery of Contract items by any available means, with the difference between the price paid and the defaulting Contractor's price either being deducted from any monies due the defaulting Contractor or being an obligation owed the State by the defaulting Contractor, as provided for in the State administrative code, or take any other action or seek any other remedies available at law or in equity.

**5.21 PROGRAM EFFICIENCY ASSESSMENT FOR STATE USING AGENCIES**

The Program Efficiency Assessment shall not be charged against the winning Contractor and therefore is not to be included in the Bidder’s pricing. The State Using Agencies shall be charged an assessment equal to one-quarter of one percent (0.25%) of the value of all transactions under
this Contract. This assessment is authorized by N.J.S.A. 52:27B-56 and N.J.A.C. 17:12-1.5, to maintain the State’s procurement system at a level to meet industry standards of efficiency.

For purposes of this section, “transaction” is defined as the payment or remuneration to the Contractor for services rendered or products provided to the State pursuant to the terms of this Contract, including but not limited to the following: purchase orders, invoices, hourly rates, firm fixed price, commission payments, progress payments and contingency payments.
6.0 QUOTE EVALUATION

6.1 RIGHT TO WAIVE

The Director reserves the right to waive minor irregularities or omissions in a Quote. The Director also reserves the right to waive a requirement provided that the requirement does not materially affect the procurement or the State's interests associated with the procurement.

6.2 DIRECTOR'S RIGHT OF FINAL QUOTE ACCEPTANCE

The Director reserves the right to reject any or all Quotes, or to award in whole or in part if deemed to be in the best interest of the State to do so. The Director shall have authority to award orders or Contracts in accordance with N.J.S.A. 52:34-12. Tie Quotes will be awarded by the Director in accordance with N.J.A.C. 17:12-2.10.

6.3 STATE'S RIGHT TO INSPECT BIDDER FACILITIES

The State reserves the right to inspect the Bidder's establishment before making an award, for the purposes of ascertaining whether the Bidder has the necessary facilities for performing the Contract.

The State may also consult with clients of the Bidder during the evaluation of Quotes. Such consultation is intended to assist the State in making a Contract award that is most advantageous to the State.

6.4 STATE'S RIGHT TO REQUEST FURTHER INFORMATION

The Director reserves the right to request all information which may assist him or her in making a Contract award, including factors necessary to evaluate the Bidder’s financial capabilities to perform the Contract. Further, the Director reserves the right to request a Bidder to explain, in detail, how the Quote price was determined.

6.5 QUOTE EVALUATION COMMITTEE

Quotes may be evaluated by an Evaluation Committee composed of members of affected departments and agencies together with representative(s) from the Division. Representatives from other governmental agencies may also serve on the Evaluation Committee. On occasion, the Evaluation Committee may choose to make use of the expertise of outside consultant(s) in an advisory role.

6.6 CLARIFICATION OF QUOTE

After the submission of Quotes, unless requested by the State as noted below, Bidder contact with the State is still not permitted.

After the Quotes are reviewed, one, some or all of the Bidders may be asked to clarify certain aspects of its Quotes. A request for clarification may be made in order to resolve minor ambiguities, irregularities, informalities or clerical errors. Clarifications cannot correct any deficiencies or material omissions, or revise or modify a Quote, except to the extent that correction of apparent clerical mistakes results in a modification.

It is within the State's discretion whether to require the Bidder to submit written responses to questions regarding its Quote. Action by the State in this regard should not be construed to
imply acceptance or rejection of a Quote. The Division will be the sole point of contact regarding any request for a clarification.

6.7 EVALUATION CRITERIA

The following evaluation criteria categories, not necessarily listed in order of significance, will be used to evaluate Quotes received in response to this RFQ. The evaluation criteria categories may be used to develop more detailed evaluation criteria to be used in the evaluation process.

6.7.1 TECHNICAL EVALUATION CRITERIA

Each criterion will be scored and each score multiplied by a predetermined weight to develop the Technical Evaluation Score.

a. Personnel: The qualifications and experience of the Bidder’s management, supervisory, and key personnel assigned to the Contract, including the candidates recommended for each of the positions/roles required.

b. Experience of firm: The Bidder’s documented experience in successfully completing Contracts of a similar size and scope in relation to the work required by this RFQ.

c. Ability of firm to complete the Scope of Work based on its Technical Quote: The Bidder’s demonstration in the Quote that the Bidder understands the requirements of the Scope of Work and presents an approach that would permit successful performance of the technical requirements of the Contract.

6.7.2 BIDDER’S PRICE SCHEDULE

The Division will utilize the rates provided on the State supplied Price Sheet/Schedule to evaluate pricing.

6.7.3 QUOTE DISCREPANCIES

In evaluating Quotes, discrepancies between words and figures will be resolved in favor of words. Discrepancies between unit prices and totals of unit prices will be resolved in favor of unit prices. Discrepancies in the multiplication of units of work and unit prices will be resolved in favor of the unit prices. Discrepancies between the indicated total of multiplied unit prices and units of work and the actual total will be resolved in favor of the actual total. Discrepancies between the indicated sum of any column of figures and the correct sum thereof will be resolved in favor of the correct sum of the column of figures.

6.7.4 EVALUATION OF THE QUOTES

After the Evaluation Committee completes its evaluation, it recommends to the Director for award the responsible Bidder whose Quote, conforming to this RFQ, is most advantageous to the State, price and other factors considered. The Evaluation Committee considers and assesses price, technical criteria, oral presentations, and other factors during the evaluation process and makes a recommendation to the Director. The Director may accept, reject or modify the recommendation of the Evaluation Committee. Whether or not there has been a negotiation process as outlined in Section 6.8 below, the Director reserves the right to negotiate price reductions with the selected Bidder.
In accordance with N.J.S.A. 52:34-12(f) and N.J.A.C. 17:12-2-7, after evaluating Quotes, the Division may establish a competitive range and enter into negotiations with one Bidder or multiple Bidders within this competitive range. The primary purpose of negotiations is to maximize the State’s ability to obtain the best value based on the mandatory requirements, evaluation criteria, and cost. Multiple rounds of negotiations may be conducted with one Bidder or multiple Bidders. Negotiations will be structured by the Division to safeguard information and ensure that all Bidders are treated fairly.

Similarly, the Division may invite one Bidder or multiple Bidders to submit a Best and Final Offer (BAFO). Said invitation will establish the time and place for submission of the BAFO. Any BAFO that does not result in more advantageous pricing to the State will not be considered, and the State will evaluate the Bidder’s most advantageous previously submitted pricing.

If required, after review of the BAFO, clarification may be sought from the Bidder. The Division may conduct more than one round of negotiation and/or BAFO in order to attain the best value for the State.

After evaluation of Quotes and as applicable, negotiation, and/or BAFO, the Division will recommend, to the Director, the responsible Bidder whose Quote, conforming to the RFQ, is/are most advantageous to the State, price, and other factors considered. The Director may accept, reject or modify the recommendation of the Division. The Director may initiate additional negotiation or BAFO procedures with the selected Bidder.

Negotiations will be conducted only in those circumstances where they are deemed by the Division or Director to be in the State’s best interests and to maximize the State’s ability to get the best value. Therefore, the Bidder is advised to submit its best technical and price Quote in response to this RFQ since the State may, after evaluation, make a Contract award based on the content of the initial submission, without further negotiation and/or BAFO with any Bidder.

All contacts, records of initial evaluations, any correspondence with a Bidder related to any request for clarification, negotiation or BAFO, any revised technical and/or price Quotes, the Evaluation Committee Report and the Award Recommendation, will remain confidential until a Notice of Intent to Award a Contract is issued.

6.9 POOR PERFORMANCE

A Bidder with a history of performance problems may be bypassed for consideration of an award issued as a result of this RFQ. The following materials may be reviewed to determine Bidder performance: Contract cancellations for cause pursuant to the attached SSTC; information contained in Vendor performance records; information obtained from audits or investigations conducted by a local, state or federal agency of the Bidder’s work experience; current licensure, registration, and/or certification status and relevant history thereof; or its status or rating with established business/financial reporting services, as applicable. Bidders should note that this list is not exhaustive.
7.0 CONTRACT AWARD

7.1 DOCUMENTS REQUIRED BEFORE CONTRACT AWARD

a. The State shall not enter into a Contract to procure services or any material, supplies or equipment, or to acquire, sell, or lease any land or building from any Business Entity, where the value of the transaction exceeds $17,500, if that Business Entity has solicited or made any contribution of money, or pledge of contribution, including in-kind contributions, to a candidate committee and/or election fund of any candidate for or holder of the public office of Governor or Lieutenant Governor, to any State, county, municipal political party committee, or to any legislative leadership committee during certain specified time periods.

b. Prior to awarding any Contract or agreement to any Business Entity, the Business Entity proposed as the intended awardee of the Contract shall submit the Two-Year Chapter 51/Executive Order 117 Vendor Certification and Disclosure of Political Contributions, certifying that no contributions prohibited by either Chapter 51 or Executive Order No. 117 have been made by the Business Entity and reporting all contributions the Business Entity made during the preceding four (4) years to any political organization organized under 26 U.S.C.527 of the Internal Revenue Code that also meets the definition of a “continuing political committee” within the means of N.J.S.A. 19:44A-3(n) and N.J.A.C. 19:25-1.7. The required form and instructions, available for review on the Division’s website at http://www.state.nj.us/treasury/purchase/forms/eo134/Chapter51.pdf, shall be provided to the intended awardee for completion and submission to the Division with the Notice of Intent to Award. Upon receipt of a Notice of Intent to Award a Contract, the intended awardee shall submit to the Division, in care of the Division Procurement Specialist, the Certification and Disclosure(s) within five (5) business days of the State’s request. Failure to submit the required forms will preclude award of a Contract under this RFQ, as well as future Contract opportunities.

c. Further, the Contractor is required, on a continuing basis, to report any contributions it makes during the term of the Contract, and any extension(s) thereof, at the time any such contribution is made. The required form and instructions, available for review on the Division’s website at http://www.state.nj.us/treasury/purchase/forms/eo134/Chapter51.pdf, shall be provided to the intended awardee with the Notice of Intent to Award.

The Two-Year Chapter 51/Executive Order 117 Vendor Certification and Disclosure of Political Contributions form is located on the Division’s website.

7.1.2 SOURCE DISCLOSURE REQUIREMENTS

Pursuant to N.J.S.A. 52:34-13.2, all Contracts primarily for services awarded by the Director shall be performed within the United States, except when the Director certifies in writing a finding that a required service cannot be provided by a Contractor or Subcontractor within the United States and the certification is approved by the State Treasurer. Also refer to Service Performance Within U.S. of the SSTC.

Pursuant to the statutory requirements, the intended awardee of a Contract primarily for services with the State of New Jersey must disclose the location by country where services under the Contract, including subcontracted services, will be performed. The Source Disclosure Form
accompanies the subject RFQ. FAILURE TO SUBMIT SOURCING INFORMATION WHEN REQUESTED BY THE STATE SHALL PRECLUDE AWARD OF A CONTRACT TO THE BIDDER.

If any of the services cannot be performed within the United States, the Bidder shall state with specificity the reasons why the services cannot be so performed. The Director shall determine whether sufficient justification has been provided by the Bidder to form the basis of his or her certification that the services cannot be performed in the United States and whether to seek the approval of the Treasurer.

The Source Disclosure Form is located on the Division’s website.

7.1.2.1 **BREACH OF CONTRACT**

A SHIFT TO PROVISION OF SERVICES OUTSIDE THE UNITED STATES DURING THE TERM OF THE CONTRACT SHALL BE DEEMED A BREACH OF CONTRACT. If, during the term of the Contract, the Contractor or Subcontractor, who had upon Contract award declared that services would be performed in the United States, proceeds to shift the performance of any of the services outside the United States, the Contractor shall be deemed to be in breach of its Contract. Such Contract shall be subject to termination for cause pursuant to the attached SSTC, unless such shift in performance was previously approved by the Director and the Treasurer.

7.1.3 **AFFIRMATIVE ACTION**

7.1.4 **BUSINESS REGISTRATION**

In accordance with N.J.S.A. 52:32-44(b), a Bidder and its named Subcontractors must have a valid Business Registration Certificate (“BRC”) issued by the Department of the Treasury, Division of Revenue and Enterprise Services prior to the award of a Contract. See Section 4.4.2.1 of this RFQ for further information.

7.2 **FINAL CONTRACT AWARD**

Contract award will be made with reasonable promptness by written notice to that responsible Bidder, whose Quote, conforming to this RFQ, is(are) most advantageous to the State, price, and other factors considered. Any or all Quotes may be rejected when the State Treasurer or the Director determines that it is in the public interest to do so.

7.3 **INSURANCE CERTIFICATES**

The Contractor shall provide the State with current certificates of insurance for all coverages required by the terms of this Contract, naming the State as an Additional Insured. See Section the SSTC accompanying this RFQ.

7.4 **PERFORMANCE SECURITY**

Not applicable to this procurement.
8.0 CONTRACT ADMINISTRATION

8.1 STATE CONTRACT MANAGER

The State Contract Manager (SCM) is the State employee responsible for the overall management and administration of the Contract.

The SCM for this project will be identified at the time of execution of Contract. At that time, the Contractor will be provided with the SCM's name, department, division, agency, address, telephone number, fax phone number, and e-mail address.

8.1.1 STATE CONTRACT MANAGER RESPONSIBILITIES

For an agency Contract where only one State office uses the Contract, the SCM will be responsible for engaging the Contractor, assuring that Purchase Orders are issued to the Contractor, directing the Contractor to perform the work of the Contract, approving the deliverables and approving payment vouchers. The SCM is the person who the Contractor will contact after the Contract is executed for answers to any questions and concerns about any aspect of the Contract. The SCM is responsible for coordinating the use of the Contract and resolving minor disputes between the Contractor and any component part of the SCM’s Department. The SCM is also responsible for notifying OIT and other appropriate parties of security and privacy violations or incidents. The SCM cannot modify the Contract, direct or approve a Contract Amendment.

If the Contract has multiple users, the SCM shall be the central coordinator of the use of the Contract for all Using Agencies, while other State employees engage and pay the Contractor. All persons and agencies using the Contract must notify and coordinate the use of the Contract with the SCM.

8.1.2 COORDINATION WITH THE STATE CONTRACT MANAGER

Any Contract user that is unable to resolve disputes with a Contractor shall refer those disputes to the SCM for resolution. Any questions related to performance of the work of the Contract by Contract users shall be directed to the SCM. The Contractor may contact the SCM if the Contractor cannot resolve a dispute with Contract users.
By submitting a proposal in response to the Agency Request for services, the bidder certifies that it understands and agrees that all of the following terms, conditions and definitions (collectively, “Standard Terms and Conditions”) are part of any contract(s) awarded or order(s) placed as a result of the Agency Request unless specifically and expressly modified by reference in the Agency Request or in a writing executed by the Director, Division of Purchase and Property or the designee thereof.

I. DEFINITIONS: As used in these Standard Terms and Conditions the following terms shall have the definitions set forth in this paragraph. These definitions shall also apply to the entire contract unless otherwise defined therein.

“Agency” means the entity on whose behalf the Division of Purchase and Property entered into the Contract. The Agency is the intended beneficiary of the Contract.

“Agency Request” means a request made by an Agency for offers or proposals to provide the sought after goods and/or services as specified herein.

“Bidder” means any person or entity submitting a proposal in response to the Agency Request for the purpose of obtaining a contract to provide the tangible items and/or services specified in the Agency Request.

“Contract” means a mutually binding legal relationship obligating the Contractor to furnish supplies and/or services and the buyer to pay for them, subject to appropriation where the Agency derives its annual budget by means of appropriation from the State Legislature. The Contract consists of these Standard Terms and Conditions, the Agency Request, the proposal submitted by the Contractor, the subsequent written document memorializing the agreement (if any), any amendments or modifications and any attachments, addenda or other supporting documents of the foregoing.

The Contract and/or its terms cannot be modified or amended by conduct or by course of dealings. Thus, the “contract” does not include the aforementioned actions and such actions, or reliance thereon, afford no rights whatsoever to any party to the Contract. The Contract can only be modified or amended by the Director; using Agencies have no authority to modify or amend the Contract. The State will not be bound by any attempt to modify or amend the Contract without the prior written approval of the Director.

“Contractor” means the person or entity which submits a proposal in response to the Agency Request and to whom (or which) the Contract is awarded.

“Designee” means the representative of a specific public official or Agency, as defined above, duly authorized by same to conduct specific activities and who also has the power to legally bind the official or Agency within the scope of the Contract. Actions taken by an unauthorized designee or which are beyond the scope of the designee’s authorization or beyond the scope of the Contract are ultra vires and have no legal or equitable effect.

“Director” means the Director of the New Jersey Division of Purchase and Property or the designee thereof.

“Division” means the New Jersey Division of Purchase and Property.
“Fixed-Price Contract” means a contract that provides for a firm price for the entire term of the Contract (including all extensions), subject to any contractual conditions allowing price adjustment, under which the contractor bears the full responsibility for profit or loss.

“Project” means the initiative, enterprise, undertaking or services for which the Contractor was contracted.

“Shall” denotes a mandatory condition.

“State” means the State of New Jersey and its agencies.

II. APPLICABILITY AND INCORPORATION OF STANDARD TERMS AND CONDITIONS:

These Standard Terms and Conditions will apply to all services contracts made by the Director on behalf of the Agency. These Standard Terms and Conditions are automatically incorporated into the Contract unless the Contractor is specifically instructed otherwise in the Agency Request or in any amendment thereto. These Standard Terms and Conditions are in addition to the terms and conditions set forth in the Agency Request and should be read in conjunction with same unless the Agency Request specifically indicates otherwise.

III. CONTRACTOR’S STATUS AND RESPONSIBILITIES:

A. CONTRACTOR’S STATUS: The Contractor’s status shall be that of an independent contractor and not that of an employee of the State.

B. CONTRACTOR’S CERTIFICATION AS TO ITS REPRESENTATIONS: The Contractor certifies that all representations made by it in its proposal or other related and/or supporting materials are true, subject to penalty of law. Further, the Contractor agrees that its violation of any statute or regulation related to public contracts and/or its misrepresentation or concealment of any material fact in the proposal, award or performance of the Contract may be cause for rescission of the contract award. In addition, the Contractor’s violation of any statute or regulation related to public contracts and/or its misrepresentation or concealment of any material fact in the proposal, award or performance of the Contract shall serve as a legal bar to the Contractor’s enforcement of its rights under the Contract including any and all claims at law or equity.

C. CONTRACTOR’S PERFORMANCE: The Contractor agrees to perform in a good, skillful and timely manner all services set forth in the Contract. To perform these services, the Contractor shall employ or engage the services of qualified persons and/or entities at its own expense except as otherwise specified in the Contract. The Contractor has an affirmative obligation to promptly notify, in writing, the State of any changes in circumstances which might affect the Contractor’s ability to be awarded or to perform its obligations under the Contract.

D. RESPONSIBILITIES OF CONTRACTOR:

1) The Contractor is responsible for the quality, technical accuracy and timely completion and delivery of all deliverables and other services to be furnished by the Contractor under the Contract. If circumstances beyond the control of the Contractor result in a late delivery, it is the responsibility and obligation of the Contractor to make the details known immediately to the Division and Agency.

2) The Contractor shall, without additional compensation, correct or revise any errors, omissions, or other deficiencies in its services and deliverables furnished under the Contract. The approval of interim deliverables furnished under the Contract shall
not in any way relieve the Contractor of fulfilling all of its obligations under the Contract. The acceptance or payment for any of the services rendered under the Contract shall not be construed as a waiver by the State or Agency, of any rights under the agreement or of any cause of action arising out of the Contractor’s performance of the Contract.

3) The acceptance of, approval of or payment for any of the services performed by the Contractor under the Contract shall not constitute a release or waiver of any claim the State or Agency, has or may have for latent defects or errors or other breaches of warranty or negligence.

4) Should the Contractor hire, employ or otherwise engage subcontractors, the Contractor shall be considered the prime Contractor and the sole point of contact with regard to contractual matters. The Contractor assumes sole and full responsibility for the complete performance contemplated by the Contract including the performance of all subcontractors.

5) When the Contractor intends to subcontract for any work under the Contract, the subcontractor must be approved by the Director in writing. It is understood, however, that consent of the Director for the subcontracting of any work under the Contract in no way relieves the Contractor from its full obligations under the Contract. In addition, the Contractor must notify and receive the approval of the Agency Project Manager before hiring any sub-contractor for the contract work. The Contractor shall at all times give due attention to the fulfillment of the Contract and shall keep the work under its control. Consent to the subcontracting of any part of the work by the Director in writing shall not be construed to be an approval of said subcontract or of any of its terms, but shall operate only as an approval of the subcontractor. The Contractor shall be responsible for all work performed by the subcontractor, which shall conform to the provisions of the Contract and all requirements of law. The failure of any subcontractor to adhere to the terms of the Contract or requirements of law may, in the Director’s discretion, be cause for rescission of the contract award.

6) All payments for services under the Contract will be made only to the Contractor. The Contractor assumes sole and full responsibility for any payments due to its subcontractors under the Contract.

7) Nothing herein or in the Contract shall be construed as creating a contractual relationship between any subcontractor and the State and/or the Agency.

8) The Contractor’s obligations under this clause are in addition to the Contractor’s other expressed or implied assurances under the Contract or law and in no way diminish any other rights that the State or Agency may have against the Contractor.

E. INVESTIGATION: By submitting a proposal in response to the Agency Request, the bidder certifies and warrants that it has satisfied itself, from its own investigation, of the conditions to be met and that it fully understands its obligations and if awarded the Contract agrees that it will not make any claim for, or have right to, cancellation or relief from the Contract without penalty because of its misunderstanding or lack of information.

F. PRICE FLUCTUATION DURING CONTRACT: Unless otherwise set forth in writing by the Director, or the Director’s designee, all prices quoted shall be firm and not be subject to increase during the duration of the Contract. However, in the event of a manufacturer’s price or contractor’s cost decrease during the Contract period, the State shall receive the full benefit of such price/cost reduction on any undelivered purchase order and on any subsequent order placed during the contract period. The Director must be notified in writing of any price
reduction within five (5) days of the effective date. Failure to report and/or pass on price reductions may result in the rescission of the contract award for cause.

G. **COST LIABILITY:** The State assumes no responsibility and no liability for costs incurred by the bidder prior to the award of the Contract and thereafter only as specifically provided in the Contract.

H. **INDEMNITY/LIABILITY TO THIRD PARTIES:**

1) The Contractor shall assume all risk of and responsibility for, and agrees to indemnify, defend and save harmless the State of New Jersey and its employees from and against any and all claims, demands, suits, actions, recoveries, judgments and costs and expenses in connection therewith on account of the loss of life, property or injury or damage to the person, body or property of any person or persons whatsoever, which shall arise from or result directly or indirectly from the work and/or materials supplied under this contract. This indemnification obligation is not limited by, but is in addition to the insurance obligations contained in this agreement.

2) The Contractor shall hold and save the State of New Jersey, its officers, agents, servants and employees, harmless from liability of any nature or kind for or on account of the use of any copyrighted or uncopyrighted composition, secret process, patented or unpatented invention, article or appliance furnished or used in the performance of this contract.

3) The Contractor further agrees that:
   a) any approval by the State or Agency of the work performed and/or reports, plans or specifications provided by the Contractor shall not operate to limit the obligations of the Contractor assumed in the Contract;
   b) the State and Agency assume no obligation to indemnify or save harmless the Contractor, its agents, servants, employees or subcontractors for any claim which may arise out of its performance of the Contract; and
   c) the provisions of this indemnification clause shall in no way limit the Contractor’s obligations assumed in the Contract, nor shall they be construed to relieve the Contractor from any liability, nor preclude the State or Agency from taking any other actions available to it under any other provisions of the Contract or otherwise at law or equity.

   a) Where a Contractor fails to perform or comply with the Contract and/or fails to comply with the complaints procedure set forth in N.J.A.C. 17:12-4.1, et seq., the Director may rescind the contract award upon ten (10) days notice to the Contractor with an opportunity to protest said rescission and/or request an informal hearing. If the Contractor protests, the Director will complete the informal hearing, if necessary, and issue a final agency decision regarding rescission of the contract.

   b) Where a Contractor continues to perform a contract poorly as demonstrated by one or more formal complaints resolved against it, the Director, or the Director’s designee, may issue a Notice of Intent to Rescind the Contract Award with a ten (10) day opportunity for the Contractor to protest such rescission and/or request an informal hearing. If the Contractor protests, the Director will complete the hearing, if necessary, and issue a final agency decision regarding rescission and related issues including, but not limited to, damages payable to the State, subject to Paragraph VII B(5).

   c) The Director’s right to rescind the contract award for cause includes any reason set forth in any other provision contained in the Contract.

   d) The failure of a Contractor to respond to the Director’s notice of intent to rescind the contract award within the ten (10) day period automatically converts said notice into a final agency decision without further action of the Director.

   e) The Director’s right to rescind the contract award for cause includes the
Contractor’s performance on any other State contract, a violation of state or federal law (as demonstrated by the Contractor’s admissions of same or a final decision of an appropriate decision-making body), or any reason related to the ability of the contractor to fulfill its contractual obligations. The Director may also rescind any contract with a federally debarred contractor or a contractor which is presently identified on the list of parties excluded from federal procurement and non-procurement contracts.

3) In cases of emergency, the Director may shorten the time periods of notification and may dispense with an opportunity to respond.

4) Upon a rescission of the contract award under this or any other paragraph herein, the Contractor shall be entitled to receive as full compensation for services rendered to the date of rescission that portion of the fee which the services actually and satisfactorily performed by it, as determined by the Director, shall bear to the total services contemplated under this contract, less payments previously made.

5) Except for termination of the contract by the Director for convenience, upon rescission of the contract award, the Director may acquire the services which are the subject of the Contract from another source and may charge the Contractor whose contract award has been rescinded the difference in price, and the said Contractor shall be liable for same.

6) All protests of the Director’s intent to rescind a contract award must be accompanied by a statement of the factual and/or legal basis of the protest and copies of all documents which the Contractor believes support its position.

7) If Director determines that an informal hearing is required, said informal hearing shall be conducted by the Director, or the designee thereof, prior to the issuance of the final agency decision regarding the interpretation of the Contract, Contractor performance and/or rescission of the contract award.

VIII. CONTRACTOR COMPENSATION:

A. PAYMENT TO CONTRACTOR: The Contractor is authorized to submit invoices monthly for tasks and/or sub-tasks satisfactorily completed. However, payment for goods and/or services purchased by the State or Agency will only be made against Official New Jersey Payment Voucher along with supporting documentation substantiating that the work has been satisfactorily completed. Invoices must reference the tasks and/or sub-tasks detailed in the scope of work and must be in strict accordance with the firm fixed prices submitted for each task and/or sub-task of the Contract and shall otherwise be in accordance with the terms of the Contract. The State bill form in duplicate together with the original Bill of Lading, express receipt or other related papers must be sent to the consignee on the date of each delivery. Responsibility for payment rests with the Agency. Notwithstanding Section VIII B, payment will not be made until the Agency has approved payment.

B. NEW JERSEY PROMPT PAYMENT ACT: The New Jersey Prompt Payment Act, N.J.S.A. 52:32-32, et. seq. requires State agencies to pay for goods and services within sixty (60) days of the Agency’s receipt of a properly executed New Jersey Payment Voucher or within sixty (60) days of receipt and acceptance of goods and services, which ever is later. Properly executed performance security, when required, must be received by the Division prior to processing any payments for goods and services accepted by the State and/or the Agency. Interest will be paid on delinquent accounts at a rate established by the State Treasurer. Interest will not be paid unless it exceeds $5.00 per properly executed invoice. A good faith dispute creates an
exception to the Prompt Payment Act. Except as noted above, cash discounts and other payment terms included as part of the original agreement are not affected by the Prompt Payment Act.

C. **AVAILABILITY OF FUNDS:** The State’s obligation to make payment under the Contract is contingent upon the availability of appropriated funds from which payment for contract purposes can be made. No legal liability on the part of the State for payment of any money shall arise unless and until funds are made available each fiscal year to the using agency by the State Legislature.

D. **RETAIAGE:** If retainage is required on the Contract, the State and/or Agency will retain the stated percentage or retainage from each invoice. Payment of retainage will be authorized after satisfactory completion and submission of all services, deliverables or work products by the Contractor and acceptance by the Agency of all services, deliverables or work products required by the Contract.

For ongoing term contracts, the Agency will retain the stated percentage of each invoice submitted. At the end of the three (3) month period after payment of each invoice, the Agency will review the Contractors performance and if performance has been satisfactory, the Agency will release the retainage for the preceding three (3) month period. Following the expiration of the Contract, retained fees will be released to the Contractor after certification by the Agency’s project manager, if any, that all services have been satisfactorily performed.

IX. **NOTICES:** All notices required under this contract shall be in writing and shall be validly and sufficiently served by the Agency and/or Division upon the Contractor, and vice versa, if addressed and mailed by certified mail to the addresses set forth in the Contract.

X. **CLAIMS:** The following shall govern claims made by the Contractor against the State concerning interpretation of the Contract, Contractor performance and/or rescission of the contract award:

All claims asserted against the State and/or Agency by the Contractor shall be subject to the New Jersey Tort Claims Act, N.J.S.A. 59:1-1, et seq., and the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1, et seq.

XI. **APPLICABLE LAW:** This agreement and any and all litigation arising therefrom or related thereto shall be governed by the applicable laws, regulations and rules of evidence of the State of New Jersey without reference to conflict of laws principles.

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union of the contractor’s commitments under this chapter and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to make good faith efforts to meet targeted county employment goals established in accordance with N.J.A.C. 17:27 5.2.

The contractor or subcontractor agrees to inform in writing its appropriate recruitment agencies including, but not limited to, employment agencies, placement bureaus, colleges, universities, and labor unions, that it does not discriminate on the basis of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job related testing, as established by the statutes and court decisions of the State of New Jersey and as established by applicable Federal law and applicable Federal court decisions.
In conforming with the targeted employment goals, the contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and layoff to ensure that all such actions are taken without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor shall submit to the public agency, after notification of award but prior to execution of a goods and services contract, one of the following three documents:

- Letter of Federal Affirmative Action Plan Approval
- Certificate of Employee Information Report
- Employee Information Report Form AA302 (electronically provided by the Division and distributed to the public agency through the Division’s website at www.state.nj.us/treasury/contract_compliance)

The contractor and its subcontractors shall furnish such reports or other documents to the Division of Public Contracts Equal Employment Opportunity Compliance as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Division of Public Contracts Equal Employment Opportunity Compliance for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code at N.J.A.C. 17:27-1 et seq.
During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor agrees to comply with any regulations promulgated by the Treasurer, pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

When hiring or scheduling workers in each construction trade, the contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the targeted employment goal prescribed by N.J.A.C. 17:27-7.2; provided, however, that the Division may, in its discretion, exempt a contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B and C, as long as the Division is satisfied that the contractor or subcontractor is employing workers provided by a union which provides evidence, in accordance with standards prescribed by the Division, that its percentage of active "card carrying" members who are minority and women workers is equal to or greater than the targeted employment goal established in accordance with N.J.A.C. 17:27-7.2. The contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:
(A) If the contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et. seq., as supplemented and amended from time to time and the Americans with Disabilities Act. If the contractor or subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the contractor or subcontractor agrees to afford equal employment opportunities minority and women workers directly, consistent with this chapter. If the contractor’s or subcontractor’s prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with affording equal employment opportunities as specified in this chapter, the contractor or subcontractor agrees to be prepared to provide such opportunities to minority and women workers directly, consistent with this chapter, by complying with the hiring or scheduling procedures prescribed under (B) below; and the contractor or subcontractor further agrees to take said action immediately if it determines that the union is not referring minority and women workers consistent with the equal employment opportunity goals set forth in this chapter.

(B) If good faith efforts to meet targeted employment goals have not or cannot be met for each construction trade by adhering to the procedures of (A) above, or if the contractor does not have a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor agrees to take the following actions:

1. To notify the public agency compliance officer, the Division, and minority and women referral organizations listed by the Division pursuant to N.J.A.C. 17:27-5.3, of its workforce needs, and request referral of minority and women workers;

2. To notify any minority and women workers who have been listed with it as awaiting available vacancies;

3. Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;

4. To leave standing requests for additional referral to minority and women workers with the local construction trade union, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and Employment Service and other approved referral sources in the area;

5. If it is necessary to lay off some of the workers in a given trade on the construction site, layoffs shall be conducted in compliance with the equal employment opportunity and non-discrimination standards set forth in this regulation, as well as with applicable Federal and State court decisions;

6. To adhere to the following procedure when minority and women workers apply or are referred to the contractor or subcontractor:

   (i) The contractor or subcontractor shall interview the referred minority or women worker.

   (ii) If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade, the contractor or subcontractor shall in good faith
determine the qualifications of such individuals. The contractor or subcontractor shall hire or schedule those individuals who satisfy appropriate qualification standards in conformity with the equal employment opportunity and non-discrimination principles set forth in this chapter. However, a contractor or subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Division. If necessary, the contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below.

(iii) The name of any interested women or minority individual shall be maintained on a waiting list, and shall be considered for employment as described in (i) above, whenever vacancies occur. At the request of the Division, the contractor or subcontractor shall provide evidence of its good faith efforts to employ women and minorities from the list to fill vacancies.

(iv) If, for any reason, said contractor or subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the contractor or subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Division.

(7) To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Division and submitted promptly to the Division upon request.

(C) The contractor or subcontractor agrees that nothing contained in (B) above shall preclude the contractor or subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and, where required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement. However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and women or the failure to refer minorities and women consistent with the targeted county employment goal, the contractor or subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the contractor or subcontractor shall not be required to employ women and minority advanced trainees and trainees in numbers which result in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the contractor or subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

After notification of award, but prior to signing a construction contract, the contractor shall submit to the public agency compliance officer and the Division an initial project workforce report (Form AA 201) electronically provided to the public agency by the Division, through its website, for distribution to and completion by the contractor, in accordance with N.J.A.C. 17:27-7.
The contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Division and to the public agency compliance officer.

The contractor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on the job and/or off the job programs for outreach and training of minorities and women.

(D) The contractor and its subcontractors shall furnish such reports or other documents to the Division of Public Contracts Equal Employment Opportunity Compliance as may be requested by the Division from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Division of Public Contracts Equal Employment Opportunity Compliance for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (N.J.A.C. 17:27-1 et seq.).
EXECUTIVE ORDER NO. 151 REQUIREMENTS

It is the policy of the Division of Purchase and Property that its contracts should create a workforce that reflects the diversity of the State of New Jersey. Therefore, contractors engaged by the Division of Purchase and Property to perform under a construction contract shall put forth a good faith effort to engage in recruitment and employment practices that further the goal of fostering equal opportunities to minorities and women.

The contractor must demonstrate to the Division of Purchase and Property’s satisfaction that a good faith effort was made to ensure that minorities and women have been afforded equal opportunity to gain employment under the Division of Purchase and Property’s contract with the contractor. Payment may be withheld from a contractor’s contract for failure to comply with these provisions.

Evidence of a “good faith effort” includes, but is not limited to:

1. The Contractor shall recruit prospective employees through the State Job bank website, managed by the Department of Labor and Workforce Development, available online at http://NJ.gov/JobCentralNJ;
2. The Contractor shall keep specific records of its efforts, including records of all individuals interviewed and hired, including the specific numbers of minorities and women;
3. The Contractor shall actively solicit and shall provide the Division of Purchase and Property with proof of solicitations for employment, including but not limited to advertisements in general circulation media, professional service publications and electronic media; and
4. The Contractor shall provide evidence of efforts described at 2 above to the Division of Purchase and Property no less frequently than once every 12 months.
5. The Contractor shall comply with the requirements set forth at N.J.A.C. 17:27.

This language is in addition to and does not replace good faith efforts requirements for construction contracts required by N.J.A.C. 17:27-3.6, 3.7 and 3.8, also known as Exhibit B.
