Please remember that the Annual Report must be filed and paid electronically by all business entities including but not limited to corporations, limited liability companies, limited liability partnerships, limited partnerships and non-profit entities. The paper form was eliminated and the Annual Report is no longer part of the CBT-100 and CBT-100S tax returns. To file and pay electronically, visit the Division of Revenue and Enterprise Services website at: <http://www.nj.gov/treasury/revenue>

The Annual Report, which is statutorily mandated filing, contains **vital** public information and is required to be filed annually. Filing the Annual report electronically, improves the timeliness and accuracy of the information presented to the legal and financial community about your business in such formats as status reports and standing certificates.

Also, the Division continues to gather information from the Corporation Business Tax Returns in order to provide statistics to the Study Commission created by the Business Tax Reform Act, P.L. 2002, Chapter 40. All taxpayers are requested to complete the schedules on the state forms rather than attaching separate schedules.

If additional information is needed to complete this return, please contact the Division of Taxation's Customer Service Center at (609) 292-6400 or write to the Division of Taxation, Technical Information Branch, PO Box 281, Trenton, NJ 08695-0281.

Calendar or fiscal accounting year is the same accounting period upon which the taxpayer is required to report to the United States Treasury Department for Federal Income Tax purposes. Please note the ending month of the accounting period for Federal returns and New Jersey returns must match, however, the tax return year for the Federal and State returns may differ. (i.e. A taxable year ending 8/31/14 may be filed on a 2013 Federal 1120; the same taxable year must be filed on a 2014 NJ CBT-100S.) All accounting periods must end on the last day of the month, except that taxpayers may use the same 52-53 week accounting year that is used for Federal Income Tax purposes, see N.J.A.C. 18:7-2.3.

Do not alter the year appearing in the upper left hand corner or the taxable year caption on page 1 of the CBT-100S. Changing the above information will delay the processing of your return. If returns are required for a different year, please refer to the index on page 16 of the instructions.

(b) NEW CORPORATIONS:

- Every New Jersey corporation acquires a taxable status beginning 1) on the date of its incorporation, or 2) on the first day of the month following its incorporation if so stated in its certificate of incorporation. Every corporation which incorporates, qualifies or otherwise acquires a taxable status in New Jersey must file a Corporation Business Tax Return. A tax return must be filed for each fiscal period, or part thereof, beginning on the date the corporation acquired a taxable status in New Jersey regardless of whether it had any assets or conducted any business activities. No return may cover a period exceeding twelve (12) months, even by a day.
- Every corporation which incorporates, qualifies or otherwise acquires a taxable status in New Jersey and which has

adopted a fiscal year other than December 31, shall advise the Division of Taxation promptly of the date of such accounting period. If no such advice is received on or before April 15, 2014, the taxpayer will be deemed "delinquent" if no return is filed on or before April 15, 2014.

(3) Every corporation that elects to be a New Jersey S corporation must file a "New Jersey S Corporation or New Jersey QSSS Election" (Form CBT-2553) within one calendar month subsequent to the Federal S corporation filing requirement.

(c) **TRANSACTIONING BUSINESS WITHOUT A CERTIFICATE OF AUTHORITY:** In addition to any other liabilities imposed by law, a foreign corporation which transacts business in this state without a certificate of authority shall forfeit to the state a penalty of not less than \$200.00, nor more than \$1,000.00 for each calendar year, not more than 5 years prior thereto, in which it shall have transacted business in this state without a certificate of authority. N.J.S.A. 14A:13-11(3).

4. (a) **PAYMENT OF TAX:** Make remittance payable to "State of New Jersey - CBT" and forward with the payment voucher, CBT-100S-V. **MAKE OUT A SEPARATE REMITTANCE FOR EACH TAX RETURN (CBT-100S) OR ESTIMATED PAYMENT VOUCHER (CBT-150) SUBMITTED.** Do not remit the tax for two or more returns in one check. Indicate the taxpayer's Federal Employer Identification Number on each remittance.

(b) All corporations are required to make installment payments of estimated tax. Generally, these payments are remitted with the form CBT-150. Refer to Instruction 44 for further information. If tax liability is \$375, refer to 7(e).

(c) To make payments electronically, refer to the instructions on page 15.

5. **ELECTRONIC FUNDS TRANSFERS:** The Division of Revenue and Enterprise Services has established procedures to allow the remittance of tax payments through Electronic Funds Transfer (EFT). Taxpayers with a prior year's liability of \$10,000 or more in any one tax are required to remit all tax payments using EFT. If you have any questions concerning the EFT program, call (609) 984-9830, fax (609) 292-1777 or write to N.J. Division of Revenue and Enterprise Services EFT Section, PO Box 191, Trenton, N.J. 08646-0191.

6. **PERSONAL LIABILITY OF OFFICERS AND DIRECTORS:** Any officer or director of any corporation who shall distribute or cause to be distributed any assets in dissolution or liquidation to the stockholders without having first paid all corporation franchise taxes, fees, penalties and interest imposed upon said corporation, in accordance with N.J.S.A. 14A:6-12, N.J.S.A. 54:50-18 and other applicable provisions of law, shall be personally liable for said unpaid taxes, fees, penalties and interest. Compliance with N.J.S.A. 54:50-13 is also required in the case of certain mergers, consolidations and dissolutions.

7. **EXTENSION OF TIME TO FILE RETURN/INSTRUCTIONS FOR FORM CBT-200-T:**

(a) **AUTOMATIC EXTENSION:** Where a tentative return, Form CBT-200-T, and tax payment are timely and properly filed, it is the policy of the Division of Taxation to grant an extension of no more than six (6) months for filing the CBT-100S.

The return must include the computation of tax liabilities on lines 1 and 2, the Key Corporation AMA on line 3 (for CBT-100 filers only) and the Tentative Professional Fees on lines 4 and 5. Submit the completed CBT-200-T with payment of the total amount due as reflected on line 8. The tentative return must be postmarked on or before the original due date of the tax return.

(b) Where a request for extension is duly made, it will be granted by the Division. Approved extensions will not be confirmed in writing.

(c) If an extension has been requested, the corporation should notify all shareholders of such request.

(d) **MINIMUM TAX:** see instruction 10(d).

(e) **Installment Payment -** Any taxpayer with a tax liability of \$375 or less on line 1, may make a payment of 50% of line 1 in lieu of

making the installment payments otherwise required. Taxpayers who report a tax liability greater than \$375 on line 1 should not make an entry on line 2 and are required to make installment payments of estimated tax as indicated in Instruction 43. Any taxpayer with Professional Corporation Fee liabilities at line 4 must report and remit an installment payment of 50% of line 4.

(f) **PENALTIES AND INTEREST**

(1) **Interest -** The annual interest rate is 3% above the average predominant prime rate. Interest is imposed each month or fraction thereof on the unpaid balance of tax from the original due date to the date of payment. At the end of each calendar year, any tax, penalties and interest remaining due will become part of the balance on which interest will be charged. The interest rates assessed by the Division of Taxation are published in the quarterly issues of the *New Jersey State Tax News*. See "Tax Forms and Information" on page 16 for information on obtaining copies of the newsletter.

NOTE: The average predominant prime rate is the rate as determined by the Board of Governors of the Federal Reserve System, quoted by commercial banks to large businesses on December 1st of the calendar year immediately preceding the calendar year in which payment was due or as redetermined by the Director in accordance with N.J.S.A. 54:48-2.

(2) **Insufficiency Penalty -** If the amount paid with the Tentative Return, Form CBT-200-T, is less than 90% of the tax liability computed on Form CBT-100S, or in the case of a taxpayer whose preceding return covered a full 12 month period, is less than the amount of the tax computed at the rates applicable to the current accounting year but on the basis of the facts shown and the law applicable to the preceding accounting year, the taxpayer may be liable for a penalty of 5% per month or fraction thereof not to exceed 25% of the amount of underpayment from the original due date to the date of actual payment.

8. **ACCOUNTING METHOD:** The return must be completed using the same method of accounting, cash, accrual or other, that was employed in the taxpayer's Federal Income Tax Return.

9. **RIDERS:** Where space is insufficient, attach riders in the same form as the original printed sheets. Only write on one side of the sheet.

10. **TAX RATES:**

(a) For taxpayers with total entire net income that is not subject to federal income taxation or such portion thereof as may be allocable to New Jersey, there shall be no rate of tax imposed. See instruction 10(d) for minimum tax requirements.

(b) The tax rate is 9.00% (.09) of entire net income that is subject to federal income taxation or such portion thereof as may be allocable to New Jersey. For taxpayers with total entire net income (Schedule A, line 42) plus nonoperational income with New Jersey Nexus, (Schedule O, Part III, line 31), greater than \$50,000 and less than or equal to \$100,000, the applicable tax rate for entire net income that is subject to federal corporate taxation is 7.50% (.075). Tax periods of less than 12 months qualify for this reduced rate if the prorated amount of entire net income (Schedule A, line 42) plus nonoperational income with New Jersey Nexus (Schedule O, Part III, line 31) does not exceed \$8,333 per month.

For taxpayers with total entire net income (Schedule A, line 42 plus nonoperational income with New Jersey Nexus (Schedule O, Part III, Line 31) of \$50,000 or less, the tax rate for entire net income that is subject to federal corporate taxation is 6.5% (.065). Tax periods of less than 12 months qualify for the 6.5% rate if the prorated if the prorated amount of entire net income (Schedule A, line 42) plus nonoperational income with New Jersey Nexus (Schedule O, Part III, line 31) does not exceed \$4,166 per month.

(c) The tax rate on net pro rata share of S corporation income allocated to New Jersey for nonconsenting shareholders for tax year 2010 periods beginning 8/09 through 12/09 is 10.75% (.1075); periods beginning on and after 1/10 is 8.97 (.0897).

- (d) **MINIMUM TAX:** The minimum tax is assessed based on the New Jersey Gross Receipts (Schedule A-GR) as follows:

New Jersey Gross Receipts	Minimum Tax
Less than \$100,000	\$375.00
\$100,000 or more but less than \$250,000	\$562.00
\$250,000 or more but less than \$500,000	\$750.00
\$500,000 or more but less than \$1,000,000	\$1,125.00
\$1,000,000 or more	\$1,500.00

provided however that for a taxpayer that is a member of an affiliated or controlled group (as per sections 1504 or 1563 of the Internal Revenue Code of 1986) which has a total payroll of \$5,000,000 or more for the return period, including periods beginning on or after January 1, 2012, the minimum tax shall be \$2,000. Tax periods of less than 12 months are subject to the higher minimum tax if the prorated total payroll exceeds \$416,667 per month. Total payroll refers to the total payroll of the affiliated group rather than total New Jersey payroll of a single corporation. Taxpayers that are members of an affiliated or controlled group must submit a schedule of payroll per member and a copy of the taxpayer's federal affiliations schedule, Form 851, with the return. Refer to Schedule A-GR for the determination of New Jersey gross receipts.

The minimum tax cannot be prorated. Zero (0) returns are not permitted.

11. CORPORATIONS REQUIRED TO FILE THIS RETURN:

- Every corporation that has elected and qualifies pursuant to Section 1361 of the Internal Revenue Code and has qualified and been accepted as a New Jersey S Corporation is required to file a CBT-100S.
- Foreign corporations that meet the filing requirements and whose income is immune from tax pursuant to Public Law 86-272, 15 U.S.C. § 381 et seq., must obtain and complete Schedule N, Nexus - Immune Activity Declaration and all schedules from the CBT-100S. Remit the minimum tax with the CBT-100S. Refer to instruction 32.
- Any corporation who for Federal purposes is treated as a Qualified Subchapter S Subsidiary is eligible to be a New Jersey Qualified Subchapter S Subsidiary. Every corporation that has qualified and has been accepted as a New Jersey Qualified Subchapter S Subsidiary is required to file a New Jersey Corporation Business Tax Return remitting only the minimum tax liability. Refer to instruction 10(d).
- Corporations which are "out of business" but have not dissolved or withdrawn their authority to do business in New Jersey, are still obligated to file a return. A dissolution or withdrawal date must be established on or before the last day of the current taxable period in order to avoid having to file a return for the next taxable period.

- 12. SIGNATURE:** Each return must be signed by an officer of the corporation who is authorized to attest to the truth of the statements contained therein. The fact that an individual's name is signed on the return shall be prima facie evidence that such individual is authorized to sign the return on behalf of the corporation. Tax preparers who fail to sign the return or provide their assigned tax identification number shall be liable for a \$25.00 penalty for each such failure. If the tax preparer is not self-employed, the name of the tax preparer's employer and the employer's tax identification number should also be provided. In the case of a corporation in liquidation or in the hands of a receiver or trustee, certification shall be made by the person responsible for the conduct of the affairs of such corporation.

- 13. FINAL DETERMINATION OF NET INCOME BY FEDERAL GOVERNMENT:** Any change or correction made by the Internal Revenue Service or other competent authority to taxable income must be reported to the Division within ninety (90) days. Also, amended NJ-K-1's must be provided to the appropriate shareholders. To amend CBT-100S returns, use the CBT-100S form for the appropriate tax year and write "AMENDED RETURN" clearly on the

front page of the form. Refer to instruction 47 for additional information.

FEDERAL/STATE TAX AGREEMENT: The New Jersey Division of Taxation and the Internal Revenue Service participate in a Federal/State program for the mutual exchange of tax information to verify the accuracy and consistency of information reported on Federal and New Jersey tax returns

- 14. SCHEDULE A - COMPUTATION OF ENTIRE NET INCOME:** Every taxpayer must complete this schedule on the form provided.

(a) **GENERAL:**

- (c) **Lines 22(a) to 30:** Include all items of income and expense which pass through to the individual shareholders as reported on the Federal Schedule K. Be sure to report lines 26, 27 and 28 as deductions.

Charitable contributions are limited to 10% of taxable income for New Jersey purposes and should be stated separately on line 30.

Built-in gains must be reported on line 23(d) as a gross amount exclusive of any net effects of taxes paid by the corporation.

Gains and losses resulting from the disposition of property where a section 179 expense deduction was passed through to S Corp shareholders are not reported on federal form 4797, and should be reported on Schedule A, Line 25. Attach separate riders explaining fully such items.

Line 37(e): Effective for privilege periods beginning after December 31, 2004, a limited IRC Section 199 deduction for Domestic Production Activities may be allowed for New Jersey CBT purposes on a separate entity basis. - (i) **Line 39:** A net operating loss for a taxable year may be carried forward as a net operating loss deduction to a succeeding year. An S corporation may carry forward losses generated as a C corporation prior to its New Jersey S election. A net operating loss is the excess of allowable deductions over gross income used in computing entire net income. Neither a net operating loss deduction nor the dividend exclusion is an allowable deduction in computing a net operating loss. The statute authorizes a carryover of the deduction for seven years. Schedule A-1 has been replaced by Form 500. Net operating losses must be detailed on Form 500, which is available separately. To obtain this form and related information, refer to the index on page 16.
- (j) **Line 41:** Dividends from all sources must be included in Schedule A. However, an exclusion from entire net income for certain dividend income may be taken as indicated in Schedule R. An inactive corporation is a corporation that, during the entire period covered by the tax return, did not conduct any business, did not have any income, receipts or expenses, did not own any assets, did not make any distributions, and did not have any change in ownership.

27. SCHEDULE J - GENERAL INSTRUCTIONS:

- (a) **ALLOCATION PERCENTAGES:** In computing the allocation factor in Schedule J, division must be carried to six (6) decimal places, e.g. 0.123456.
- (b) Effective for returns beginning after July 1, 2010, all corporations are entitled to allocate.
- (c) Effective for all return periods beginning on or after January 1, 2013 will have a 90% weighted receipts fraction and 5%

weighted property and payroll fractions. All returns for periods beginning on or after January 1, 2014 will have a 100% weighted receipts fraction only.

- (d) Only activities related to operational activity are to be used in computing the general allocation factors. If the taxpayer has non-operational activity, refer to Schedule O.

28. SCHEDULE J PART II:

(A) **Periods Beginning Prior to January 1, 2014 - AVERAGE VALUES:** Average value is generally computed on a quarterly basis where the taxpayer's accounting practice permits such computation. At the option of the taxpayer or the State, a more frequent basis (monthly, weekly or daily) may be used. Where the taxpayer's accounting practice does not permit computation of average value on a quarterly or more frequent basis, semi-annual or annual frequency may be used only where no distortion of average value results. If any basis other than quarterly is used, state the basis and reasons for use on attached rider.

The average values of real and tangible personal property owned which are used in determining the property fraction of the allocation factor are based on book value. The numerator and denominator must take into account accumulated depreciation deferred for net income purposes where the taxpayer accounts for its property on its books on a Federal income tax basis. Rented or leased property is valued at eight times its annual rent, including any amounts (such as taxes) paid or accrued in addition to or in lieu of rent during the period covered by the return. All other property which is used by the taxpayer but is neither owned, rented or leased, should be valued at book value, however, if no such book value exists, the market value of the property should be used.

(B) **Periods beginning on and after January 1, 2014 - COMPUTATION OF ALLOCATION FACTOR:** This schedule may be omitted if the taxpayer does not have activity outside New Jersey.

(i) **Line 1(a)-1(d) RECEIPTS FRACTION:** Receipts for sales of tangible personal property are allocated to New Jersey where the goods are shipped to points within New Jersey. Receipts from the sale of goods are allocable to New Jersey if shipped to a New Jersey or a non-New Jersey customer where possession is transferred to New Jersey. Receipts from the sale of goods shipped to a taxpayer from outside of New Jersey to a New Jersey customer by a common carrier are allocable to New Jersey. Receipts from the sale of goods shipped from outside of New Jersey to a New Jersey location where the goods are picked up by a common carrier and transported to a customer outside of New Jersey are not allocable to New Jersey. Receipts from the following are allocable to New Jersey: services performed in New Jersey; rentals from property situated in New Jersey; royalties from the use in New Jersey of patents or copyrights; all other business receipts earned in New Jersey.

(ii) Lines 1(e) and 1(g)

(a) **RECEIPTS FROM SALES OF CAPITAL ASSETS:** Receipts from sales of capital assets (property not held by the taxpayer for sale to customers in the regular course of business), either within or outside New Jersey, should be included in the numerator and the denominator based upon the net gain recognized and not upon gross selling prices. Where the taxpayer's business is the buying and selling of real estate or the buying and selling of securities for trading purposes, gross receipts from the sale of such assets should be included in the numerator and the denominator of the receipts fraction.

(b) **DIVIDEND INCOME:** The amount of dividends excluded from entire net income at line 37, Schedule A, must not be included in the numerator or denominator of the receipts fraction.

(iii) Line 1(h) - For periods beginning on and after January 1, 2014, the allocation factor is now computed as a single sales fraction, line 1(f) (New Jersey based receipts) divided by line 1(g) (Total Receipts everywhere).

29. SCHEDULE J PART III - COMPUTATION OF ALLOCATION

FACTOR: (Periods beginning prior to January 1, 2014): This schedule may be omitted if the taxpayer does not have activity outside New Jersey.

(a) **LINE 1 - PROPERTY FRACTION:** For general information regarding method of valuation in arriving at average values, see instruction 28(B). Tangible personal property is within New Jersey if and so long as it is physically situated or located here. Property of the taxpayer held in New Jersey by an agent, consignee or factor is (and property held outside New Jersey by an agent, consignee or factor is not) situated or located within New Jersey. Property, while in transit from a point outside New Jersey to a point in New Jersey or vice versa does not have a fixed situs either within or outside the State and, therefore, will not be deemed to be "situated" or "located" either within or outside New Jersey and accordingly the average value of such property should be omitted from both the numerator and the denominator of the property fraction. Ships, aircraft, satellites used in the communications industry, and other mobile or movable property are subject to the specific rules defined in N.J.A.C. 18:7-8.4.

(b) **LINE 2(a) - 2(d) - RECEIPTS FRACTION:** Receipts from sales of tangible personal property are allocated to New Jersey where the goods are shipped to points within New Jersey.

Receipts from the sale of goods are allocable to New Jersey if shipped to a New Jersey or a non-New Jersey customer where possession is transferred in New Jersey. Receipts from the sale of goods shipped to a taxpayer from outside of New Jersey to a New Jersey customer by a common carrier are allocable to New Jersey. Receipts from the sale of goods shipped from outside of New Jersey to a New Jersey location where the goods are picked up by a common carrier and transported to a customer outside of New Jersey are not allocable to New Jersey.

Receipts from the following are allocable to New Jersey; services performed in New Jersey; rentals from property situated in New Jersey; royalties from the use in New Jersey of patents or copyrights; all other business receipts earned in New Jersey.

(c) **LINES 2(e) and 2(g)**

(1) **RECEIPTS FROM SALES OF CAPITAL ASSETS:** Receipts from sales of capital assets (property not held by the taxpayer for sale to customers in the regular course of business), either within or outside New Jersey, should be included in the numerator and the denominator based upon the net gain recognized and not upon gross selling prices. Where the taxpayer's business is the buying and selling of real estate or the buying and selling of such securities for trading purposes, gross receipts from the sale of such assets should be included in the numerator and the denominator of the receipts fraction.

(2) **DIVIDEND INCOME:** The amount of dividends excluded from entire net income at line 41, Schedule A, must not be included in the numerator or denominator of the receipts fraction.

(d) **Lines 2(h) and 2(i)** - For privilege periods beginning on or after January 1, 2013, multiply the amount on line 2(h) by nine (9) to effect the 90% weighting in the computation of the allocation factor.

(e) **LINE 3 - PAYROLL FRACTION:** In general, a taxpayer reporting to the Division of Employer Accounts in the New Jersey Department of Labor will allocate to New Jersey all wages, salaries and other personal service compensation, etc., reportable to that Division, including the portions thereof, in individual cases, in excess of taxable wages. All executive salaries are includible in both the numerator and denominator. See N.J.S.A. 54:10A-7 for the definition of wages, salaries and other personal services compensation allocable to New Jersey.

(f) **ALLOCATION FACTOR - GENERAL:** For periods beginning on or after January 1, 2012, the allocation factor is computed by adding together the percentages shown at lines 1(d), 2(i) and 3(d) of Schedule J, Part III, and dividing the total of the percentages by ten (10). A fraction is not missing merely because its numerator is zero, but is missing if its denominator is zero. If one of the

fractions is missing, the other two percentages are added together and divided by the sum of the remaining weights. Example: Periods beginning on or after January 1, 2013 and before January 1, 2014, if the property or payroll fraction is missing, the remaining percentages are added together and divided by nine and a half ($9.5=0.5+9$); if the receipts fraction is missing, the remaining percentages are added together and divided by one ($1=0.5+0.5$). If two of the fractions are missing, the remaining percentage will serve as the allocation factor without being weighted.

If there is a declaration of nonoperational income, expenses, or assets from Schedule O, those items attributable to the non-operational activity should be excluded from the denominator of all three fractions of the allocation factor.

The maximum allowable credit for each tax year is \$500,000 for each qualified investment made by the taxpayer. The small high-technology business must employ less than 225 employees, of which 75% must have jobs in New Jersey. The small high-technology business must conduct pilot scale manufacturing or qualified research in New Jersey in the fields of advanced computing, advanced materials, biotechnology, electronic device technology, environmental technology, and medical device technology. At the time of this printing, P.L. 1997, c. 349 (N.J.S.A. 54:10A-5.24b) expired for privilege periods beginning on and after July 1, 2002.

To claim this credit, the taxpayer must complete Form 308 and attach it to the tax return. To obtain this form and related information, refer to the index on page 16.

- (n) **NEW JOBS INVESTMENT TAX CREDIT - FORM 304:** This tax credit is available for investment in new or expanded business facilities that create new jobs in New Jersey. The investment must create at least 5 new jobs (50 for large businesses) and meet the median annual compensation requirements for the current tax year. New investment is not eligible for the credit unless the average value of all real and tangible personal property in this State has increased over the prior year.

The facilities must have been purchased from an unrelated party during or after the taxpayer's accounting period beginning on or after July 7, 1993, the effective date of this legislation. It must be employed by the taxpayer in a taxable activity and must not have been in use during the 90 day period prior to purchase. Investments which qualify for the Manufacturing Equipment and

Employment Investment Tax Credit cannot also qualify for this credit.

A new employee means a New Jersey resident, hired to fill a regular, permanent position in this State which did not exist prior to the qualified investment, and would not exist but for the qualified investment. The employee must be unrelated to the taxpayer and must not have been employed by the taxpayer during the six months prior to the date the investment was placed in service or use.

The taxpayer cannot claim a credit for a number of new employees that exceeds either the increase in the taxpayer's average employment for the tax year, or one-half of the taxpayer's average employment for the year. Also, individuals counted in determining the New Jobs Factor must not be ones for whom the taxpayer is allowed an Urban Enterprise Zone or Urban Development Project Employees Tax Credit.

A small or mid-sized business taxpayer must also meet the annual payroll and annual gross receipts requirements for the current tax year to qualify.

To claim this credit, the taxpayer must complete Form 304 and attach it to the tax return. To obtain this form and related information, refer to the index on page 16.

- (o) **MANUFACTURING EQUIPMENT AND EMPLOYMENT INVESTMENT TAX CREDIT - FORM 305:** Investments in qualified manufacturing equipment made in tax years beginning on or after January 1, 1994, may be eligible for the Manufacturing Equipment and Employment Investment Tax Credit. Such investment has the benefit of allowing a tax credit computation for the tax year in which the investment was made as well as each of the following two tax years. The tax credit computation for the first year is based on the cost of the qualified manufacturing equipment placed in service in New Jersey during that tax year. The computations for the two following tax years are based on the average increase in New Jersey residents employed in New Jersey subject to a limitation based on the cost of the investment made in the first year.

The manufacturing equipment portion is limited to 2% (or 4%, if applicable) of the investment credit base of qualified equipment placed in service in the tax year, up to a maximum allowed credit for the tax year of \$1,000,000. The employment investment portion is valid for each of the two tax years next succeeding the tax year for which the manufacturing equipment credit is allowed, but is limited to 3% of the investment credit base, not to exceed a maximum allowable amount for each of the two tax years of \$1,000 multiplied by the increase in the average number of qualified employees.

To claim this credit, the taxpayer must complete Form 305 and attach it to the tax return. To obtain this form and related information, refer to the index on page 16.

- (p) **RESEARCH AND DEVELOPMENT TAX CREDIT - FORM 306:** A taxpayer that has performed qualified research activities in New Jersey may be eligible to claim the Research and Development Tax Credit. A credit for increased research activities is allowed based on qualified expenditures made in taxable years beginning on and after January 1, 1994. It provides a credit of 10% of the excess qualified research expenses over a base amount plus 10% of the basic research payments.

Qualified research is limited to scientific experimentation or engineering activities designed to aid in the development of a new or improved product, process, technique, formula, invention, or computer software programs held for sale, lease, or license, or used by the taxpayer in a trade or business. For in-house research expenses (see Section 41(b)(2) of the Internal Revenue Code), this trade or business requirement will be met if the taxpayer's principal purpose for conducting the research is to use the results of the research in the active conduct of a future trade or business (see Section 41(b)(4) of the Internal Revenue Code).

An S corporation is allowed to claim a credit in connection with increasing research activities to the extent of its New Jersey corporation tax liability. Pass through of this credit to

shareholders is not permitted. To claim this credit, the taxpayer must complete Form 306 and attach it to the tax return. To obtain this form and related information, refer to the index on page 16.

- (q) **RECYCLING EQUIPMENT TAX CREDIT - FORM 303:** A taxpayer that purchased qualified recycling equipment on or after October 1, 1987 and that received a certification for this equipment from the Commissioner of the Department of Environmental Protection may be eligible to claim the Recycling Equipment Tax Credit. The recycling equipment must have been used exclusively within New Jersey, except for vehicles which must have been used primarily within New Jersey.

The legislation governing this tax credit expired on December 31, 1996, however, any unused credits claimed prior to January 1, 1997, can be taken on the current tax return subject to the limitations set forth on Form 303.

To claim this credit, the taxpayer must complete Form 303 and attach it to the tax return. To obtain this form and related information, refer to the index on page 16.
