## Instructions for Form 315 AMA Tax Credit

For tax periods beginning on or after January 1, 2002, if a taxpayer incurs an AMA (Alternative Minimum Assessment) liability in excess of the regular CBT liability, the excess may be carried over to subsequent years and used as a credit against the regular CBT liability. The carryovers never expire. There are, however, limitations as to how much credit can be taken on any single return.

**Note:** To claim the credit, the AMA must have been required and paid by the taxpayer. A taxpayer that was not required to pay the AMA cannot claim a credit.

New Jersey S corporations that formerly filed as C corporations and had an AMA liability can take the AMA credit on the CBT-100S tax return subject to the same rules as stated above.

To calculate the allowable credit and carryover, taxpayers filing Forms CBT-100, CBT-100S, or BFC-1 complete Part I and CBT-100U filers complete Part II.

**Note:** The AMA credit cannot be generated by a taxpayer for tax years beginning on and after August 1, 2018 (ending on and after July 31, 2019).

### Combined Return Filers

If filing a combined return, this form must be completed by the member that earned the credit. All combined return filers must check the combined return filers box at the top of the form and complete Part II, Section A.

**Members Opting Not to Share.** In general, tax credits are earned by a member of the combined group and are shareable with the combined group. However, members are not required to share their credits. See N.J.S.A. 54:10A-4.6.i and TB-90(R), *Tax Credits and Combined Returns*. In addition to Section A, members that choose not to share must also complete Part II, Section B and fill in the oval at the top of the form to indicate they are not sharing the credit.

Taxpayers must include the appropriate credit form in the year the credit was earned even if they are not claiming the credit on their tax return.

### Part I – Calculation of the Allowable Credit Amount and Carryover (for CBT-100, CBT-100S, and BFC-1 Filers only)

For CBT-100, CBT-100S, and BFC-1 filers, the allowable AMA Tax Credit for the current year is calculated in Part I. Combined return filers do not complete Part I, and must complete Part II instead. The amount of this credit in addition to the amount of any other tax credits is limited to 50% of the taxpayer's total tax liability and cannot exceed an amount that would reduce the total tax liability below the statutory minimum.

**Line 3** – The minimum tax is assessed based on the New Jersey Gross Receipts as follows:

New Jersey Gross Receipts	CBT-100/BFC-1	CBT-100S
Less than \$100,000	\$500	\$375
\$100,000 or more but less than \$250,000	\$750	\$562
\$250,000 or more but less than \$500,000	\$1,000	\$750
\$500,000 or more but less than \$1,000,000	\$1,500	\$1,125
\$1,000,000 or more	\$2,000	\$1,500

If a taxpayer is filing a separate return and is a member of an affiliated or controlled group that has a total payroll of \$5,000,000 or more for the return period, the minimum tax is \$2,000. Tax periods of less than 12 months are subject to the higher minimum tax if the prorated total payroll exceeds \$416,667 per month.

**Line 7** – Taxpayers claiming multiple credits must list any credits already applied to the tax liability to ensure accuracy of the calculation for maximum credit allowable.

### Part II – Calculation of the Allowable Credit Amount and Carryover for Combined Return Filers

For CBT-100U filers, the total and allowable AMA Tax Credit for the current year is calculated in Part II. All combined return filers must complete Section A. Members that choose not to share their credit must also complete Section B.

**Section A – To be completed by ALL combined return filers**

This section calculates the amount of credit allowable for the group. If a member chooses not to share their credit with the group, Section A must still be completed to ensure the credit allowed for the member does not exceed the amount that would otherwise be allowed against the group tax liability.

The amount of the credit calculated in this section cannot exceed 50% of the group tax liability otherwise due and cannot reduce the tax liability to an amount less than the aggregate statutory minimum tax of the group members.

**Line 13** – Multiply the number of taxable group members by \$2,000 and enter the result.

**Line 17** – Combined groups claiming multiple credits must list any credits already applied to the group tax liability to ensure accuracy of the calculation for maximum credit allowable.

**Section B**

This section is used to calculate the amount of credit allowable for members that choose not to share their credit with the group. Section B is completed based on the member's share of the group tax liability. The amount of the credit calculated in this section cannot exceed 50% of the member's tax liability otherwise due and cannot reduce the tax liability to an amount less than \$2,000. The amount of the credit is also limited to the amount that would otherwise be allowed against the group tax liability if the member had been sharing the credit.

**Line 26** – Members claiming multiple credits must list any credits already applied to the member's tax liability to ensure accuracy of the calculation for maximum credit allowable.
