The New Jersey Electing Small Business Trust election

A federal Electing Small Business Trust can make an election to be taxed as a *New Jersey Electing Small Business Trust* if **all** of the trust's income is from federal S corporations that made the New Jersey S election, from federal S corporations that have income allocated outside of New Jersey or from the disposition of federal S corporation stock.

A New Jersey election is made by filing a New Jersey Gross Income Tax Fiduciary Return, Form 1041SB and signing the election statement at the bottom of the return. A New Jersey Electing Small Business Trust waives its right to claim a minimum taxable income threshold, an exemption, a deduction for distributions, a deduction for income commissions, and a credit for taxes paid to other jurisdictions and consents to have all of the trust's income taxed at the maximum tax rate in effect.

If the trust did not receive a Schedule NJ-K-1, you must attach a copy of the Federal Schedule K-1 and complete Reconciliation Worksheet B contained in Tax Topic Bulletin GIT-9S, *Income from S Corporations*.
